

A gift from the Compassion gift guide allows children to dream and plan for the future by providing for specific needs identified by our local church partners. They allow children to have the security, education and opportunities they need to grow up and become all God created them to be.

A gift has been given in your honour!

Sewing machines

The gift of a sewing machine has been given in your honour to mothers in Ethiopia to empower them to earn a living from their creative skillsets while having the opportunity to start a small business to provide for their children!
