A gift from the Compassion gift guide allows children to dream and plan for the future by providing for specific needs identified by our local church partners. They allow children to have the security, education and opportunities they need to grow up and become all God created them to be.

A gift has been given in your honour!

Carpentry tools

The gift of carpentry tools has been given in your honour to youth and parents living in poverty, giving them the dignity of providing for themselves and their families for the long-term.
