GIFTS OF COMPASSION 2018 2019

A gift from the Compassion gift guide allows children to dream and plan for the future by providing for specific needs identified by our local church partners. They allow children to have the security, education and opportunities they need to grow up and become all God created them to be.

A gift has been given in your honour!

Goats

The gift of a goat has been given in your honour to help a church in Indonesia start their very own goat farm—teaching local youth and families about entrepreneurship and animal husbandry so they can have the tools to escape poverty!
