GIFTS OF COMPASSION 2018 2019

A gift from the Compassion gift guide allows children to dream and plan for the future by providing for specific needs identified by our local church partners. They allow children to have the security, education and opportunities they need to grow up and become all God created them to be.

A gift has been given in your honour!

Chickens

The gift of a chicken has been given in your honour to an Ethiopian family, to not only ensure their children get the protein and nutrients they need to thrive, but to help their parents start small, income-generating businesses to escape the cycle of poverty!
