GIFTS OF COMPASSION 2018 2019

A gift from the Compassion gift guide allows children to dream and plan for the future by providing for specific needs identified by our local church partners. They allow children to have the security, education and opportunities they need to grow up and become all God created them to be.

A gift has been given in your honour!

Rainwater gathering system

In areas where water sources are scarce, rainwater gathering systems are a sustainable way to protect communities during times of drought. This gift has been given in your honour to allow children and their families to have access to a clean, safe water.
